

SANTOSH BASTOLA

GLOBAL SUPPLY CHAIN, PROCUREMENT & INVENTORY OPERATIONS EXECUTIVE

Biratnagar, Nepal | Mobile: +977 9852021299 | Email: bastolasantosh1993@outlook.com

EXECUTIVE PROFESSIONAL SUMMARY

Strategic and results-driven Supply Chain and Operations Executive with over 10 years of progressive leadership experience orchestrating large-scale manufacturing, international trading, and heavy industrial supply chain networks. Demonstrated core mastery in directing end-to-end local and global procurement pipelines, Letter of Credit (LC) trade financing structures, rigorous customs compliance frameworks, and complex multi-facility inventory controls. Highly proficient in advanced enterprise architectures including SAP MM/PP modules, Power Brain ERP, Tally Prime, and Microsoft 365 cloud analytics. Recognized for bridging physical warehouse metrics with digital databases to achieve 100 percent reconciliation accuracy, eliminating supply chain vulnerabilities, and delivering high-impact executive intelligence reporting directly to Board Directors and CFOs.

CORE COMPETENCIES & STRATEGIC EXPERTISE

- **Supply Chain & Global Logistics:** Strategic Procurement Pipelines, International Vendor Management, Import/Export Trade Operations, LC & RTGS Documentation, Air & Sea Freight Forwarding Coordination, Customs Compliance.
- **ERP Systems & Technical Architecture:** SAP MM (Materials Management), SAP PP (Production Planning), Tally Prime, Power Brain ERP, Microsoft 365 Cloud Dashboards & Analytics.
- **Operational Risk & Governance:** Physical vs. ERP Stock Reconciliation, Multi-Facility Warehouse Management, Cross-Functional Team Leadership, Cost Optimization, Supplier Contract Negotiations.

KEY PERFORMANCE METRICS & EXECUTIVE HIGHLIGHTS

- **Executive Tenure:** Over 10 years of intensive operational leadership steering manufacturing and corporate trading environments.
- **Local Vendor Network:** Successfully managed, coordinated, and negotiated procurement portfolios with 100+ local vendors representing an annual transaction volume of NPR 80 to 90 Lakhs.
- **Global Procurement:** Handled 50+ international suppliers from India and strategic third countries with cross-border import transactions valued between USD 40,000 to 50,000 annually.
- **Operational Excellence:** Spearheaded comprehensive warehouse audits and digital controls, achieving 100 percent physical versus ERP inventory reconciliation accuracy and zero variance.
- **Risk Mitigation:** Maintained flawless compliance with international trade finance policies, custom regulations, and LC documentation standards, completely avoiding demurrage and legal delays.

PROFESSIONAL EXPERIENCE

Procurement, Import & Inventory Operations Lead **Dec 2023 – Present**
Golyan Group – Shivam Plastic Industry Limited | Biratnagar, Nepal

- Direct daily plant inventory operations, raw material procurement planning, and comprehensive stock control protocols to maintain uninterrupted production.
- Leverage SAP MM modules for end-to-end material procurement workflows and SAP PP modules for production data tracking, planning support, and optimization.
- Validate daily Tarpaulin unit manufacturing outputs, store spare parts consumption, and raw material inflows/outflows to eliminate stock discrepancies and variances.
- Design and manage real-time Microsoft 365 collaborative cloud dashboards, delivering vital analytical reports and executive summaries directly to Corporate Officers and the CFO.
- Drive cross-functional synergy by bridging communication across production, warehouse, accounts, purchase, and executive management teams.

Materials & Supply Chain Head **Jan 2022 – Dec 2023**
Maa Jagadamba Plasto Udyog & Metal Industries Pvt. Ltd. | Dhalkebar, Nepal

- Directed organization-wide inventory management and production databases utilizing Power Brain ERP systems to streamline material flows.
- Handled strategic local and international procurement cycles, contractor negotiations, and supplier relationship management.
- Oversaw critical import documentation, trade compliance, Letter of Credit (LC) processing, and customs clearance logistics.
- Authored detailed daily/weekly operational performance metrics and presented strategic updates directly to company Directors.

Supply Chain & Procurement Lead

Sep 2015 – Dec 2022
